6.5 PRESENTATION
Pretty basic stuff here, but the extra modes and games are a plus.

7 GRAPHICS
This is actually a GameCube game. Seldom impressive, though Super Abilities are cool.

6.5 SOUND
Again, nothing exceptional.

8 GAMEPLAY
Tried and true, though there's nothing wrong with that. Great with friends, kids.

9 LASTING APPEAL
New and extra modes - there's plenty to unlock, plus multiplayer fun.
